“Preparing students for the future . . . today”

March 12, 2007

To Whom It May Concern:

The Gustine Unified School District takes great pleasure in providing this letter of recommendation for Greg Opinski Construction. This District just completed a new middle school that was built using a hardship grant. Knowing that funds were limited Greg Opinski Construction worked very diligently with the District to keep the project not only on tract but within budget. His staff demonstrates the highest quality of workmanship and professionalism.

Greg Opinski Construction in it's dealings with the District has always been very honest and forthcoming. They have gone out of their way to assist the district on our present project issues and offer advice with possible up coming projects.

Gustine Unified School District is in the planning and development stage of a major school expansion and Greg Opinski Construction was selected as the lease, lease-back contractor.

It is a pleasure to recommend Greg Opinski Construction.

Sincerely,

Joseph W. Wilimek  
Superintendent
